

Kentwood Community PTSA 2009 – 2010

Dear Kentwood High School Parent / Guardian:

Kentwood Community PTSA invites you to make a difference in the quality of education at Kentwood High School. Students excel when parents, staff, and communities partner together, sharing their thoughts and ideas for programs, activities and issues that impact students and their education. PTSA provides information and resources that strengthen these relationships. KWCPTSA strives to maintain cohesive relationships between home and school. It supports projects and programs that promote student education, safety, health and welfare. Each year, to maintain and build on the same strong foundation of support and continued success, we depend on our continuing members as well as new members and volunteers.

Please take the time now to become a valued member of KWCPTSA and consider volunteering on one or more of the committees or projects below. We look forward to working together with you this year!

Sincerely,

The Kentwood Community PTSA Executive Board
